To MDF Mechanical Ltd.:

It is my great pleasure to congratulate you on the recent decision of the National Council of the Canadian Cancer Society to recognize your significant contribution to cancer control through the awarding of the prestigious Elizabeth Eisenhauer Lifetime Contributor Award.

I would like to extend my personal thanks for your efforts, both individually and as a group, in support of cancer control. You have assisted the Canadian Cancer Society greatly in our mission to eradicate cancer and improve the quality of life of people living with cancer through your annual golf tournaments. Thanks to your compassion, dedication and commitment over the past 10 years, over \$1,000,000 has been raised for the Canadian Cancer Society. Your efforts are truly commendable and greatly appreciated by the volunteers and staff of the Society.

May you have a wonderful celebration at the presentation of your Elizabeth Eisenhauer Lifetime Contributor Award.

I am particularly pleased to once again extend my personal congratulations.

Yours sincerely,

Lori Messer  
President, Canadian Cancer Society
